Hi Beth,

There is some confusion whether the Water Division or ECAD needs to sign-off on the attached RARE grant workplan because it was approved by the Water Division prior to the move. I will not have a final answer on this until Monday because Carole Braverman is out of the office. However, I am attaching the PowerPoint presentation that I gave to the RARE grant meeting in Region 5 and the workplan for Mike's review. Linda said he would be the new signatory if Carole agrees that the sign-off chain needs to be moved to ECAD. I am copying Mike, so he is aware of this. Please let me know if you have any questions. This would likely need to be signed off by next Thursday, January 16. A very brief explanation of the grant is below.

Thank you,
Jenny
